

# HYDRATE

REFRESH - EXPLORE - LISTEN - SPACE

MARCH, 17TH - 18TH, 2012  
THE FINGER, TE UKU  
RAGLAN

HYDRATE: a day away from the noise of life, a day to chill out in nature, join with others in worship, be refreshed, explore God, enjoy the space, listen, and see what happens.

We have a seriously beautiful piece of Aotearoa for you to enjoy, some great bands and worshippers to lead us into His presence, some talented creative people to share their thoughts and insights, and a desire to see what happens when a bunch of people come together like this to seek God.

HYDRATE is a context for you to connect with the person of Jesus. Throughout the twenty-four hours there will be opportunities to connect through music, word, reflection, silence, the natural environment, and communing with others. This is not so much an event that is put on for you but rather a journey in which you are invited to embark upon. We are looking to create a context where you can engage with Jesus in a self directed way without being heavily programmed. Our hope is that you will encounter Him in a fresh way that inspires and encourages.

**EVENT ADDRESS IS 'THE FINGER', 274 OKETE RD, TE UKU, RAGLAN,  
FOR MORE INFORMATION AND A LOCATION MAP VISIT  
HYDRATEWORSHIP.ORG OR FIND US ON FACEBOOK**

HYDRATE is not a catered event. A BBQ area will be provided for cooking (please share nicely), BYO food & drink, this is an alcohol and drug free event, no open fires are permitted.

There will be a cafe on site feeding your coffee addiction and serving tasty treats.

Clean water will be provided (cold water only).

Bring tents, sleeping gear, solar shower, torches and utensils, etc. to make an overnight camp more comfortable. There will be a designated camping area, please be considerate.

Because of the nature of the event and the location (working farm) we need to restrict traffic on the farm race. We require that once you are on site you stay on site until the end of the event. For those who for whatever reason cannot camp out, there will be a window of time between 10.30 pm - 12 am. We realise this appears restrictive but it is a part of being able to utilise this fabulous space!

In case of very poor weather we may have to move HYDRATE to an alternative location, if this is the case, we will make every effort to inform you and details will be posted on our website.
